

# Topgolf Commits to Mother-Friendly Venues with Addition of Nursing Room in U.S. Locations

Initiative signifies Topgolf's pledge to be accessible and inclusive for associates and guests

DALLAS, July 12, 2018 /PRNewswire/ -- Global sports entertainment leader [Topgolf®](#) is installing a nursing mothers room in all of its U.S. venues, beginning with its Texas locations. In conjunction with the nursing mothers room, Topgolf has established an official "Mother-Friendly" human resources policy to promote an atmosphere of support for Topgolf associates who are mothers.

"We want to create a welcoming environment for new mothers, whether they are coming to Topgolf for work or for a fun outing," said Topgolf Vice President of Human Resources [Deslyn Norris](#). "The nursing mothers room provides a comfortable and private space where they express milk or nurse."

The nursing mothers room will be installed at all U.S. Topgolf venues by the end of 2018. Venues opening this year will have the nursing mothers room available upon opening. The room is located on the lower level and includes an armchair, small table and a refrigerator to store milk. Guests wishing to use the room may request access from a Topgolf associate.
