

Topgolf Breaks Ground on Second Colorado Venue

Thornton location expected to attract 450,000 visitors annually

DENVER, Oct. 2, 2018 /PRNewswire/ -- Global sports entertainment leader **Topgolf**[®] has officially broken ground on its second Greater Denver location in Thornton. The new three-level, 65,000-square-foot venue is expected to open to the public in late 2019.

"Denver is one of the largest metropolitan cities in the U.S. and has consistently ranked high on both quality of life and growth," said Topgolf Chief Development Officer [Chris Callaway](#). "We opened Topgolf Denver-Centennial a little more than three years ago, and it has been extremely successful. We are excited to bring another Topgolf for residents in the northern part of the city to enjoy."

Through the premium experience of play, food and beverage and music, Topgolf inspires people of all ages and skill levels – even non-golfers – to come together for playful competition. Guests can enjoy point-scoring golf games using microchipped balls that instantly score themselves, showing players the accuracy and distance of their shots on a TV screen in their hitting bay. Topgolf venues feature a chef-driven menu, top-shelf drinks, big screen TVs, flexible private event spaces and music in climate-controlled hitting bays for all-seasons comfort. Year-round programming includes events for kids and families, social leagues, groups, golf tournaments and instruction.

"We are thrilled that Topgolf chose to build in the City of Thornton. We look forward to the high quality entertainment this company will bring to our community," said Thornton Economic Development Retail Administrator Julie Jacoby. "The addition of Topgolf to the North Interstate 25 corridor continues our focus on superior development in the City of Thornton. Topgolf is an elite entertainment venue and they are an ideal addition to the Larkridge retail and restaurant lineup at the intersection of Interstate 25 and Highway 7."

Topgolf opened a location in Centennial in August 2015, which now employs more than 500 associates. The new Thornton venue is located along Interstate 25 at East 160th Avenue.

Topgolf will create 500 full- and part-time jobs in Thornton. The planned three-level venue features 102 climate-controlled hitting bays, a full-service restaurant and three bars, 250 high-definition flat-screen TVs, a rooftop terrace with fire pits, and 3,000 square feet of private event space. Approximately half of all Topgolf guests describe themselves as "non-golfers."
