

Celebrate Women's Golf Day at Topgolf on June 4

All 50 U.S. Topgolf venues will host a complimentary class for women to learn golf and network

DALLAS, May 22, 2019 /PRNewswire/ -- Global sports entertainment leader [Topgolf](#) today announced all 50 U.S. venues will offer a complimentary golf instruction and socializing event for women on Tuesday, June 4 from 6:30-7:30 p.m. This unique Topgolf Coach class, hosted in honor of Women's Golf Day, will be tailored to teach women of all ages and skill levels the fundamentals of the game in a relaxed and social environment.

Women's Golf Day was established in 2016 to help increase interest and participation in the sport among women. Topgolf's involvement in Women's Golf Day was enjoyed by all participants, including nongolfers and golfers alike, with more than 450 women registering for the complimentary class to learn more about the game and perhaps make some friends along the way.

"We are very excited to be working with Topgolf again for Women's Golf Day," said Women's Golf Day Founder, Elisa Gaudet. "They have been a tremendous partner and are the perfect venue to welcome women who are experienced golfers and those who've never picked up a club. This partnership helps support our mission to grow the opportunities and exposure women have to golf through mindful collaboration with the industry and its leaders."

This energetic, beginner-friendly 60-minute class is built around a variety of drills to improve body motions and make each individual's golf swing intuitive and free-flowing. One hour of instruction will include:

- 10 Minutes – Warm-up and review the basics (grip, stance, posture, wedges, irons and woods)
- 40 Minutes – Drill stations (individuals to work as two-person teams)
- 10 Minutes – Intro to competition (instructors will direct individuals in how to use their newly learned skills to play Topgolf games)

"Topgolf is proud to support Women's Golf Day this year by offering a complimentary instructional class for women of all ages and skill levels," said Topgolf CEO [Dolf Berle](#). "Our brand values and supports an environment that celebrates inclusion, and Women's Golf Day provides us the opportunity to demonstrate our commitment that Topgolf is everyone's game."
