

Topgolf Announces First Venue To Open in New York State

Holtsville location to bring innovative entertainment experience and jobs to Long Island

HOLTSVILLE, N.Y., Feb. 11, 2020 /PRNewswire/ -- [Topgolf Entertainment Group](#), a global sports and entertainment community, will open a new entertainment venue to residents of Suffolk County and beyond early next year. Nestled along the Long Island Expressway in Brookhaven Township, Topgolf Holtsville will not only bring an innovative experience, but is also expected to bring approximately 500 careers to the area.

Guests of the new three-level Topgolf venue will soon experience a tech-driven place to play through point-scoring games in the venue's 102 bays, seasonal chef-driven menu items, top-shelf drinks, live music and year-round programming for all ages in a climate-controlled outdoor space. Additionally, Topgolf Holtsville will offer private event rooms for corporate meetings, celebrations and more.

"Topgolf's mission centers around building and connecting communities and we have been working very hard with the Suffolk County community to design a custom venue that fits their needs including added vegetation, updated fencing and more," said Topgolf Chief Executive Officer [Dolf Berle](#). "We're looking forward to not only entertaining Guests here, but also being a good neighbor to the community through volunteer projects, fundraising efforts and other events geared toward giving back to local organizations. We truly can't wait to open our first venue here in the state of New York."

As a rapidly growing sports and entertainment brand with a vibrant community of fans, Topgolf is credited with helping introduce new players to the game of golf through its variety of technology-driven experiences. Its venue environment is lively, fun and non-intimidating, and all the equipment that guests need to play is provided at no extra cost. Topgolf Holtsville will offer year-round golf lessons, taught by a professional, that range in packages specially designed by age and skill-level.

Topgolf officially broke ground on the new venue last month. Fans can also visit Topgolf's existing venues nearby in Edison and Mount Laurel in New Jersey, or Topgolf can be played 24/7 on any mobile device with the free World Golf Tour (WGT) by Topgolf app, the world's leading realistic digital golf game.
